

President's Letter 15 November 2026

Dear Neighbors,

Our Block Party was a tremendous success. The fullest of thanks for the extraordinary efforts of Katie Skoien and Jaimie Bowen, and to all others who helped or simply attended to make it so successful. You know who you are, and Katie or I also know and offer our sincere thanks.

Thanks to our LAPD Senior Lead Officers Danny Chavez and Rafael Espinoza who attended.

If you could not come, I am sorry that you missed such a fun event for our neighborhood. I hope you can make it next time – and there will be another.

There were several items of RWNA business.

BYLAWS QUESTION. Thirty One ballots were submitted to the question of adopting the bylaws revisions as presented on our web site and in the previous President's Letter to you. The vote tallied 31 to adopt, 0 to reject! As we were operating under the existing rules which allow in-person voting only, the election is closed and the measure is passed. I will update the web site.

DUES. The dues amount is $20. Thanks to the many members who came by and paid for 2027. I would appreciate those still outstanding taking care of this. Our account accepts Zelle payments (Zelle Tag: contact@ridgewoodwilton.com). If you prefer, a check also works (PO Box 74605, Los Angeles 90004). Thanks!

BOARD PARTICIPATION. Unfortunately I didn't actively pursue this question during my many enjoyable conversations. We should be a much more active Association, dealing more decisively with our goals and problems and that takes a full Board. We need officers and at-large members. Please step forward.

ROSTER. I was able to update from those who came to the RWNA table but there are other new residents not receiving our emails. Please check with your neighbors and email information so I can include them. contact@ridgewoodwilton.com.

Thanks for reading and even more for your support of our Association.

Bob
